

Rudolph Photo Frame Magnet

Teaching & Learning Stuff

Instructions

Trim a photo a little smaller than the foam circle. Glue the photo to the front.

Attach the ears.

Tape the chenille stem to the back, and twist each end into a spiral for antlers. Thread 2 pony beads on each curled antler.

Place the sticky magnet **at the top** of the frame **over the taped**

antlers.

Finish by adding your very own bright red pom pon nose.
