## Helpful Symbols

	Meets or exceeds ANSI/BIFMA standards for safety and durability
	Assembly required
	Because there is no universally accepted standard to designate products as environmentally preferable, we have adopted the green leaf symbol to highlight products that have one or more of the following attributes: reduced VOCs, compostable, biodegradable, contains recycled content, or other environmental attributes that make this product less harmful to the environment or humans, when compared to its traditional counterparts. Many of the products marked with the green leaf symbol have been endorsed by third-party certifying organizations, and where applicable, the certifying body's logo appears next to the product's name. Please note that we have not independently verified the environmental attributes.  <small>*These environmental attributes refer to the products themselves and not to the processes for manufacturing and transporting the products.</small>
	Products made with at least 10% total recycled content
	Products that meet the U.S. EPA/CPG standards for post-consumer recycled content
	Must be shipped freight

**E. Slant-Ring View Binder** Matte-finish, transparent plastic overlays on front cover, back cover and spine present limitless label customization options. Slant rings allow smooth page turning and hold more documents than the same-size round rings. Open and close triggers provide fast, nearly effortless access to single sheets. Binder features back-mounted rings for added convenience. Two inside pockets provide extra storage for loose documents. Poly material is non-stick so inserts, pockets and cover won't lift print.

**D. Heavy-Duty Non-View Binder with DuraHinge® and Locking One Touch EZD® Rings** Heavy-duty binders for extended use. Tear-resistant DuraHinge® design is stronger and lasts longer. DuraEdge® feature makes the sides and top more pliable, providing greater split resistance. Deep texture film offers a smoother finish and features a linen pattern for a high-quality look and feel. Four clear, interior pockets provide extra storage space. Wider front and back panels fully cover standard dividers and sheet protectors. One Touch EZD® locking rings open with ease, keep pages secure and have a higher page capacity compared to the same size round rings. Pages lie flat with back-mounted rings for a clean spine. Binders are made out of heavy-duty, nonstick poly material and won't lift ink or toner off printed pages.

- Designed to make the most of the compressed footprint of desking, benching and height-adjustable workstations.
- Deep pedestal with extended height drawers provides more space for stowing or storing what matters most to you.
- Taller drawers create higher capacity storage for personal items, filing and more. Four casters allow you to move your storage wherever you need it.
- Rear casters swivel and front casters are fixed. File drawer has high sides to allow front-to-back filing.
- Accessory trays fit perfectly within the alcove and 15" bin to keep odds and ends out of sight but organized.
- Standard core removable locks make re-keying a breeze.
- Counterweights are included where required to prevent drawer tipping.
- Backed by the HON Full Lifetime Warranty.
