

The image shows the exterior of a 'Teaching Stuff' store. The building has a prominent A-frame roof with brown wooden siding and dark brown structural beams. The words 'Teaching Stuff' are mounted on the upper part of the A-frame in large, colorful, multi-colored letters. Below the roofline, there is a covered entrance area with large glass windows. A sign in the window reads 'SMART STARTS HERE!' above the 'Teaching Stuff' logo. The store is surrounded by green trees and a wet, dark asphalt parking lot. In the foreground, there are two green street signs on a pole, one pointing right for '35th Ave' and one pointing down for 'Glendale'.
